

## Celebrate Creek Week on April 17th from 9 to Noon In Heritage Park

**The Town of Loomis recently purchased a 10 +-acre property located at the foot of Walnut Street known as Heritage Park. This year we will be celebrating Creek Week with a Nature Walk, Clean-up and Tree Planting in this newly acquired and appropriately named piece of property.**

This property is located between Walnut Street and Stonegate Court, and I-80 and S. Holly

April 17th, 9:00 A.M.

Meet at the entrance to Heritage Park, located where Walnut Street Meets the freeway sound wall.

- Walk through the property with naturalist, and Sierra College instructor, Shawna Martinez. Learn about the native plants and animals indigenous to the Loomis Basin and this particular site.
- Join the clean-up of our new park site.
- Join the Sacramento Tree Foundation and Greenprint as you plant native trees and begin the greening of Loomis. Sign up to be part of a major tree planting to be held this coming fall to be sponsored by Green Print, The Sacramento Tree Foundation and The Town of Loomis.
- Sign up to help plan the future use for this beautiful piece of property, pond and park.
- Take home a very cool Creek Week 2010 tee shirt.
